## J. S. DAVIS CO. LEASES THE HARRINGTON ROOM.

The J. S. Davis Auto Co. has leased the Harrington store room on east Sixth street lately occupied by C. M. Trotter, and will use it as a show and salesroom for the Nash and Stearns cars and the Nash trucks. Here will be quartered J. J. Crawford as sales manager, car salesman W. J. Tiley and Lloyd Powers and also the truck salesman. An office force will also be installed in the room.

Provisions will also be made for rest rooms for both men and women. This large room is admirably adapted for show and sales purposes, and is just such quarters as the Davis Company needs as the garage at the corner of Fourth and Locust is inadequate to meet the requirements of the company's constantly increasing business. The present quarters will be retained for general garage purposes.

Wm. Ebright, J. M. Calhoun and M. S. Hartman returned Saturday from Lincoln where they attended the state convention of the non-partisan league. Mr. Ebright was a member of the committee which drafted the platform.

The most classy spring suits ever shown in North Platte may be seen now at Block's.

The Methodist aid society will meet in the church parlors Thursday afternoon, March 4th, with Mesdames R. L. Ford, Thornburg, Max VonGoetz, J. A. Adams, and H. C. Welch as the entertaining committee.

You can buy coats and suits at The Style Shop for \$29.75 and up.

Moonshiners shown in feudist battles; night riders in thrilling chase; girl jockey wins great horse race in "In Od Kentucky" at the Sun Theatre this week.

LaCamille corsets with the ventilo back in all the new spring models; every corset guaranteed and sold exclusively at Block's.

Roy Bangs, of Minden, was a week end guest at the Edward Oleson home.

## SENATE FORECASTS DEFEAT OF THE PEACE TREATY

An early and unfavorable vote on ratification of the peace treaty was forecast in the senate yesterday, when republican leaders, replying to the demands of the treaty's irreconcilable republican opponents, re-affirmed their decision not to accept any change of substance or of language in the republican reservation to article 10.

Both sides concede that enough democratic senators to defeat ratification are determined to stand with Pres. Wilson and vote against the treaty unless the Article 10 qualification is modified.

The republican decision Monday was followed by evidences that all the elements in the senate fight would cooperate to end debate and let the treaty issue go undecided into the campaign.

Some of the leaders predicted a final vote by Thursday, but others thought it would not come before the first of next week.

Probably a million dollars worth of Lincoln county land changed ownership the latter part of last week and yesterday. Thousands of acres of land sold under contract last year became transferable March 1st, hence the big volume of the transactions. Very few of the deals made felt through, which can be taken as evidence that money is plentiful and easily obtainable for legitimate transactions.

Gloves! Gloves! French kid gloves and silk gloves in all the wanted shades; long and short gloves in all sizes from \$1.00 up at Block's.

The War Mothers held a meeting at the home of Mrs. J. F. Clabaugh Friday evening and appointed a committee to arrange for a celebration on Flag Day, June 14th. This committee will confer with citizens relative to a program to be given at the Franklin auditorium. The organization last week week received its charter from national headquarters.

## FORMER NORTH PLATTE WOMAN IS HONORED

Mrs. Geo. H. Hirst, of Douglas, Arizona, formerly Miss Anna McNamara, of this city, has been elected as one of the Arizona delegates to the national democratic convention to be held in San Francisco. Mrs. Hirst has been a resident of Douglas for a number of years, and from papers published in that city it is learned that she has taken an active part in all the progressive work of the city and state in which women have participated. She is now a deputy probation officer of the superior court of the state. The fact that she has been selected as a delegate to the national convention is evidence of her active work for the betterment of civic conditions and that her reputation as such is statewide.

The old time friends of Mrs. Hirst will be pleased to learn of the honor which has been conferred upon her. Try the Rexall first, it pays. 14th Misses Josephine and Mildred McKeown will leave tomorrow for a visit with friends in Lincoln. Children's spring dresses and coats in all the newest spring styles, now shown at Block's.

E. R. Goodman returned this morning from Denver where he transacted business for a couple of days.

Rev. J. H. Curry went to Grand Island yesterday to attend a meeting of the Presbyterian brotherhood.

## EMPLOYERS AND EMPLOYEES FORMULATE RELATIONS POLICY

The committee of labor relations of the Cleveland chamber of commerce has formulated a labor relations policy, set forth in a declaration of principles made public Sunday and said to be the first instance in the country where a definite policy has been planned for a community by a group of leaders of industry and labor.

Warren S. Stone, grand chief of the Brotherhood of Locomotive Engineers, is a member of the committee.

Progressive recommendations include advice to employers to take the workers into their confidence and to place before their employees financial and other information concerning their enterprises.

The committee opposes compulsion by either employer or employee to maintain a union or non-union shop, but recognizes the possibility of a mutual agreement of this character.

Public interest requires increasing production, the report says. The cost of living is given first place in wage considerations. Overtime work is discouraged and the Saturday half-holiday encouraged.

The safeguarding of the health of workers is advocated and also enforcement by public officials of all laws in respect to coercive measures.

The Episcopal guild will meet in the basement of the church Thursday afternoon.

Coats- Coats! Sport coats, three-quarter length coats, and full length coats, up to the minute in style, now on display at Block's.

Thos. Edison's machines of many merits at Dixon's.

Baptist church groups meet Thursday of this week: bible group with Mrs. Louden, south Chestnut; Ann Hazeltine group with Mrs. Leon, and Q. E. group with Mrs. Dixon, 521 east B street.

For Sale—Household furniture. Inquire of Mrs. Neils Rasmussen, 921 east Third street; phone B 463.

The rush of ex-service men to Torrington, Wyo., to participate in the drawing of eighty tracts of land was evidenced at the depot this morning when over fifty tickets were sold to Gering, the nearest station on the Union Pacific to the land. About the same number of tickets were sold yesterday morning. These tracts of land range from forty to 120 acres each.

It seems difficult to awaken farmers of this section to the value of pure bred stock. On Monday of last week the Western Nebraska Breeders' Association placed on sale in this city sixty head of thoroughbred sows and the animals averaged about \$100 each. Had the same animals been offered in the eastern part of the state, where good breeding is fully appreciated, they would have averaged not less than \$150 each.

Leo Sage, a freight brakeman, has brought suit against the Union Pacific for \$15,000 damages for an accident which befell him at O'Fallon on the night of January 23d. In his petition Sage avers that in giving the engineer the stop signal his arm came in contact with an improperly located switch stand and the bone in his arm was broken, causing a permanent injury. The plaintiff is represented by attorney W. E. Shuman.

## MRS. JOHNSON FALLS AND FRACTURES SKULL YESTERDAY

Mrs. Mary Johnson, eighty-three years of age, mother of Mrs. R. A. Garman and Mrs. Munsinger, fractured her skull at 3:30 yesterday afternoon when she fell down the stairs leading to the basement at the Munsinger residence. Up to nine o'clock this morning the aged lady had not regained consciousness and attending physicians gave little hope of recovery.

Mrs. Johnson had gathered up some kindling with the intention of taking it to the basement. As she started to descend the stairway she either tripped or was seized with a fainting spell and fell, the back of her head striking the cement floor of the basement. Mrs. Munsinger, who was talking with her sister over the telephone, heard a noise and surmising that something had happened to her mother, hastened to the stairway and found Mrs. Johnson on the basement floor unconscious. Summoning help the injured woman was carried up stairs and a physician summoned, who upon examination found a fracture of the skull.

## ORDINANCE COMMITTEE STRIKES SNAG ON BOND ISSUES

Councilman Leslie Baskins, chairman of the ordinance committee of the city council, who started in to prepare the ordinances calling for a vote on the proposition to issue bonds for the extension of water and sewer mains, struck a snag that caused him to halt. It was generally accepted that under the law a city of this class could issue water bonds up to twenty-five per cent of the assessed valuation but in looking up the statutes Mr. Baskins found that as a city we are limited to water bonds in the sum of \$150,000. We have already outstanding \$30,000 in water bonds, so that the amount additional that could be issued would be but \$70,000. This is less than half the amount which would be needed to complete the extensions as outlined by the mayor, the city council and Water Commissioner Welch, and the program of the extension will therefore need be abandoned for the present year at least.

Just what action will be taken in the matter will be decided at the regular meeting of the council which will be held at the city hall tonight.

Councilman Baskins' plan is to lay out a program of future extensions and vote a certain amount of bonds each year until the program is completed. This is probably about the best course that can be pursued.

**Re-Crete Fairview Precinct.**

At a meeting of the county commissioners yesterday the former precinct of Fairview was re-created. This precinct a number of years ago was consolidated with Sutherland precinct, but the sixty or more voters in the territory concluded that it would be more convenient for them were a new precinct created. In the territory embraced in the precinct there are about sixty sections of land which lie in townships 12, 13 and 14, range 3, or a division six miles east and west and ten miles north and south. The precinct will be known as Fairview.

Dr. T. J. Kerr, Roy Cochran and J. T. Keefe were among the ex-service men who went to Torrington yesterday to register in the land drawing.

## Cold on the Chest.

(Health Talk No. 38 by Dr. States.)

There is often a warning of the coming on of this form of cold in the form of chilliness not warranted by the degree of temperature shown by the thermometer. If nothing to forestall the attack is done, there is soon slight fever, soreness of the throat and

hoarseness, a sense of pressure in the chest and coughing.

The condition may increase in intensity until pneumonia results. The thing to do is at the first symptom of chill to take vigorous steps to restore the natural heat of the body. Spinal adjusting at this stage is productive of immediate change for the better. A few will break it up completely. If the condition is chronic, it may be necessary to go through a long course of adjusting to correct the spinal disorder and remove the pressure that has destroyed nervous balance in the organs affected.
